

## Easy Dream Vacations and Tours Travel Insurance Waiver

Purchasing travel can be a significant investment which should be protected. For this reason, it is strongly recommended to purchase travel insurance. Travel insurance may also be able to protect you from possible loss of money due to supplier bankruptcy/default, unexpected trip cancellation/interruption due to accident, sickness or death, baggage loss, medical expenses, emergency air transportation costs and covered situations, some of which may be beyond your control and coverage depending on the policy purchased.

All customers who decline this valuable protection are assuming any financial loss associated with their travel arrangements, regardless of the reason for cancellation or interruption. By declining this valuable protection, I am assuming any financial loss associated with my travel arrangements, regardless of the reason for cancellation or interruption.

I decline to purchase travel insurance for all passengers listed on my purchase of travel through Easy Dream Vacations and Tours.
