Take autumn's palette of gorgeous colors on this 7-day journey through coastal New England and Canada. When in Bar Harbor, Maine, explore nature's splendors at Acadia National Park, followed by a traditional downeast lobster bake. Trace the birth of Canada where it happened on the waterfront of Charlottetown, Prince Edward Island, plus view the original manuscript of Anne of Green Gables, set in the region. And see how many whales you can spot off the coast of Saguenay.
