Live it up in paradise on board our newest and most innovative ship ever, Norwegian Viva. While in Miami, savor its many international flavors while exploring popular areas like South Beach and Little Havana. Explore the art deco architecture on South Beach with a walk down Ocean Drive or indulge in a café Cubano from a café on Calle Ocho. The Caribbean's premier resort-style destination awaits you in Harvest Caye. Settle in poolside or explore the 7-acres of beachfront before grabbing some souvenirs and zip lining across the entire island. In Cozumel, visit the Mayan ruins outside San Miguel before diving into the coastal waters to snorkel along the coral reefs.
