Experience the charm, history and culture of the Mediterranean when you live it up on board Norwegian Viva – the next stunning ship in a brand-new class, designed for you to live life to the fullest. Explore two filming locations for Game of Thrones where pivotal scenes were shot depicting the Meereen slave rebellion and the dungeon that held fire-breathing dragons in Split. Roam through the whitewashed villages clinging to the sides of sea cliffs that have made the volcanic island of Santorini one of the most widely photographed places in the world. Meanwhile, lavish palaces, Byzantine art, bustling bazaars and authentic mouth-watering Turkish cuisine await your arrival in Istanbul. Then sample traditional Greek dishes amongst windmills, sparkling bays, superb beaches and blue-domed churches along the windy coast of Mykonos.
